Damaged Amy Reed

Two teens must come to terms with their friend's death in a car crash in this "haunting," (*Kirkus Reviews*) gritty, and realistic novel from the author of *Beautiful*, *Clean*, *Crazy*, and *Over You*.

When Kinsey's best friend Camille dies in a car accident while Kinsey is behind the wheel, she shuts down completely, deciding that numbness is far better than mourning. She wants to be left alone during the last few weeks of high school, but Camille's mysterious boyfriend Hunter, who was also in the car that night, has a different idea.

Despite all of Kinsey's efforts, she can't shake Camille, who has been haunting her dreams. Consumed by survivor's guilt, sleep deprived, and on the verge of losing it, she agrees to run away with Hunter to San Francisco. As the pair tries to escape both the ghost of Camille and their own deep fears, Kinsey questions how real her perception of her friendship with Camille was, and whether her former friend's ghost is actually now haunting her. Hunter, meanwhile, falls into a spiral of alcoholism, anger, and self-loathing.

Ultimately, Kinsey and Hunter must come to terms with what they've lost and accept that they can't outrun pain.
