Don't get shut out of graduate school because you struggle with math. GRE Math Simplified with Video Solutions captures the lessons veteran GRE tutor Julia Andrews has taught her students of all levels, including the math forgetful and the math phobic. GRE Math Simplified focuses on explaining concepts rather than teaching gimmicks, and addresses the ways in which a single concept can be tested in multiple ways. It also addresses some of the most common pitfalls. Each practice set is paired with a free online solutions video. This way, if you get stuck and the written explanation is not enough, you can watch the corresponding video-- where the problems are worked out step-by-step-- to see where you went wrong. The videos can be viewed for free at gremathsimplified.com.
