Did you know that you will soon be living in a world where: There are no checks, coins or paper money? All your money will exist only as electronic ones and zeros stored in computers? There is an impenetrable wall between you and your wealth? There is no privacy? All buying and selling must be approved? The world's economy and even your personal finances are controlled by one entity? Are you ready for the world's new economic system? Prepare now, because ready or not, here it comes! Glenn Guest has served as a pastor for over 24 years and has also had a career in military and industrial electronics. These two experiences have complimented one another to give Pastor Guest a unique perspective of prophetic scriptures and world events. Over the years the Lord has given Pastor Guest the privilege of teaching many classes on end time events and the Book of Revelation. He conducts classes in churches, schools, on radio and other venues as the Lord gives him the opportunity. [www.stepstowardthemark.com](http://www.stepstowardthemark.com)
