Art Deco is an artistic movement that arose in the early 1900s, first in France, and then later popularity increased internationally. It is most commonly found in pre-war architecture, but expanded into many other art forms including painting and sculpture. The style incorporates beautiful balanced and repetitive motifs, as well as elegant ornamentation, making the designs ideal for adult coloring. As you immerse these intricate illustrations with your favorite color combinations, their patterns and structured symmetry will make it simple for you to de-stress and practice mindfulness while simultaneously expressing your creativity. *The Big Book of Art Deco: Coloring for Everyone* offers you the wonderful opportunity to color, relax, and travel back to yesteryear—an era where art and culture flourished around the world.
