Guardian Domination Breanna Hayse

Author's Note: Guardian Domination was written to share my actual training as a submissive in a fictional background. All the scenes are recreations of actual events. This work includes both consensual/non-consensual spankings, anal play, exhibitionism, graphic sexual scenes, and more. If you liked Fifty Shades of Grey, then this book is certainly for you. Celeste Bronston once again faces the law and the only way to avoid incarceration is to submit herself to a man she's never met—her godfather, Jace Jordon. The judge's condition is that the 18-year-old will be under Jace's authority until she turns twenty-one. Having no other choice except for jail, she accepts the court's offer. Her legal guardian is not at all what she imagined him to be! Besides being young, quite wealthy and exceedingly handsome, the man has a unique way in dealing with obstinate and naughty young woman. Failure to follow his strict rules and exercising poor behavior promptly earns the young lady and trip over his knee for a memorable bare-bottom spanking! Jace also offers her the love and respect that she had not experienced in the past. Together with his best friend, Mark, the men help Celeste learn about her value and worth as a human being. As she thrives in the environment of domestic discipline, Celeste's feelings toward Jace begin to change—along with her desire to learn more about his lifestyle as a dominant. She accepts his challenge to learn about dominance and submission, which ends up with the two of them facing a crossroad. Do they dare step over the line and experiment with romance?
