Vibrant photos depicted on high-quality glossy pages sets this book apart from other children's books. Author and diver Paul Mila uses his vivid underwater photos to bring this story to life. Harry the hawksbill turtle discovers that his angelfish friends aren't getting along because they look different from each other. Harry teaches them they are more alike than they realize, while children also learn about sea life. This is a fun book for beginning self-readers or for parents and children to read together.
