## **Raine: The Lords of Satyr** Elizabeth Amber

The last in a fabled line of otherworldly aristocracy, the Lords of Satyr are born to wealth, power, and a talent for sensual delight that mere mortals only dream of. Commanded to marry, these passionate men will travel to Rome, Venice, and Paris--and along the way will explore desires both shamelessly wicked and blissfully divine. . .

## **As A Lover, His Skills Are Legendary. . .**

The middle brother, Raine, is both sensual and stoic. Scarred by once taking a wife who could not accept his carnal needs, he wants no part in another marriage. But duty commands that he fulfill his promise to wed King Feydon's second daughter, Jordan. . .

## **But In Matters Of The Heart, He Has Much To Learn. . .**

The loyal satyr begins a search that leads him from Tuscany to romantic Venice, where his beautiful bride awaits, unaware of what passionate delights fate has planned for her. Raine is careful not to reveal his powerful satyr sexuality, for fear of driving yet another woman away. But unbeknownst to him, Jordan is no ordinary woman and was born with an insatiable appetite for love. And as Raine's heart begins to melt for her, how long will he be able to hide his true nature when Jordan seems to want him so fiercely?
