Denim and Diamonds (Kindle Single) (Debbie Macomber Classics) Debbie Macomber
In Debbie Macomber's heart-wrenching novel, now available for the first time as an eBook, two wounded hearts give in to the healing power of love—and learn to trust again.

Letty Ellison left her small town and her high-school sweetheart behind to chase her dreams—but music never worked out. When she returns nine years later, nothing's changed in Red Springs, Wyoming, except for her. Letty's a little more humble, she's a single mom to a beautiful daughter, and she has a secret: she needs surgery for a potentially fatal heart condition. On top of everything, seeing Chase Brown again makes her realize that what she really wants may have been right here all along.

After Letty moved away, Chase poured his hurt and anger into fixing up his family's ranch. Now that she's back, he vows to stay as far away from her as possible, and yet he can't ignore the rush of emotions he feels every time their paths cross. He may be risking heartbreak, but Chase has to face the past to build what he really wants: a future, and a family, with Letty.
