Donde Esta Willie Santiago (Spanish Edition) Pastor Jim Phillips

Donde Esta Willie Santiago tells the story of how the Holy Spirit guided a Western New York pastor to fly to Communist Cuba without the benefit of knowing a single person on the island and with very little knowledge of the language. This is about supernatural guidance, supernatural miracles, and supernatural provisions. In less than 24 hours, God joined Willie Santiago and Pastor Jim Phillips together in such a way as to form a bond that has continued for nearly two decades. This relationship has resulted in hundreds of new churches and Bible Schools, with thousands of new Christians established in churches. Though kept a secret from much of the world, a church planting movement has been going on behind the scenes that is changing Cuba from the inside. This is a book about team ministry, synergy, and leverage, Kingdom of God style. Cuba is writing another chapter to the Book of Acts. Come on a vivid journey into Communist Cuba. Experience the people, the culture, the scenery, but most of all, experience the underground churches and meet their leaders. Pastor Jim Phillips has served as a church planter, senior pastor, and short-term missionary since 1980. He is married to Carol Ann for 43 years and together they have 7 children and 16 grandchildren. Commonwealth for Christ International www.commonwealthforchrist.com "This book is a handbook for doing missions in Cuba." -Willie Santiago
