Odd Nerdrum Technique the Research Pages (the revised edition) Derek Van Derven

NOTE FROM THE AUTHOR My research is based on many emails with many direct students of Nerdrum, and 13 years of on and off research. My main Odd Nerdrum website is oddnerdrum.info.

As of January 2011, this book includes "finger dabbing" the paint to blur the edges for a photographic effect, and to contrast sharp and blurred edges. Blur to recede, sharp to come forward.

This is the final research findings of Odd Nerdrum's Technique as of September 2011 done by Derek Van Derven from the years 1997 to 2011. In this final edition, there are 40 more pages added on to the end of the book of the final research and paintings as of September 2011, with large full color images.. Images of Derek Van Derven's final and best paintings in the "Nerdrum Technique" are seen in this final edition of the book. Descriptions of how the paintings were done are included as well as photos of the final paintings at the end of the book.

Learn the rare and amazing painting techniques of Norwegian figurative painter Odd Nerdrum, backed up by the testimony of his recent former students. Author Derek Van Derven has over 20 years of experience painting like the Old Masters, and over 12 years of experience researching Odd Nerdrum's techniques and copying his paintings. For more information about the contents of this book visit oldmastercopies.com, also available at that website are videos demonstrating Odd Nerdrum's technique and Old Master drawing videos. If you like the book please leave positive feedback at Amazon's feedback area for this book.
