On Chesil Beach: Library Edition Ian McEwan

The #1 bestselling author of **Saturday** and **Atonement** brilliantly illuminates the collision of sexual longing, deep-seated fears and romantic fantasy in his unforgettable, emotionally engaging new novel.

The year is 1962. Florence, the daughter of a successful businessman and an aloof Oxford academic, is a talented violinist. She dreams of a career on the concert stage and of the perfect life she will create with Edward, the earnest young history student she met by chance and who unexpectedly wooed her and won her heart. Edward grew up in the country on the outskirts of Oxford where his father, the headmaster of the local school, struggled to keep the household together and his mother, brain-damaged from an accident, drifted in a world of her own. Edward's native intelligence, coupled with a longing to experience the excitement and intellectual fervour of the city, had taken him to University College in London. Falling in love with the accomplished, shy and sensitive Florence – and having his affections returned with equal intensity – has utterly changed his life.

Their marriage, they believe, will bring them happiness, the confidence and the freedom to fulfill their true destinies. The glowing promise of the future, however, cannot totally mask their worries about the wedding night. Edward, who has had little experience with women, frets about his sexual prowess. Florence's anxieties run deeper: she is overcome by conflicting emotions and a fear of the moment she will surrender herself.

From the precise and intimate depiction of two young lovers eager to rise above the hurts and confusion of the past, to the touching story of how their unexpressed misunderstandings and fears shape the rest of their lives, **On Chesil Beach** is an extraordinary novel that brilliantly, movingly shows us how the entire course of a life can be changed – by a gesture not made or a word not spoken.

So now let us explain to you the relaxing pattern this is your body and mind will likely be pleased when you are finished studying it, like winning a game. Do you want to try this extraordinary paying spare time activity?

Angel Sullivan:

As a university student exactly feel bored to reading. If their teacher expected them to go to the library or make summary for some book, they are complained. Just minor students that has reading's heart or real their pastime. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this On Chesil Beach: Library Edition can make you really feel more interested to read.
