Pocketful of Parables Donna Smith

Both humorous and thought-provoking, these stories are aptly called parables because they teach life lessons. Three main characters have frightening experiences prompting a timely rescue by a no-nonsense, somewhat whimsical and kindly spirit, Hattie, who usually appears as a nurse in a pristine white uniform complete with cap and cape. She disappears as quickly as she arrives leaving her subjects mystified. As time goes by, though, each learns to trust her and hope for her appearance. The stories take place in a small mountain town, with the last tale located in the high peaks. Each story, in its rudimentary form, is true, but the author embellishes almost beyond belief.
