The Faith of Barack Obama Stephen Mansfield

The 2008 election is only a memory now, but what happened to all those promises Barack Obama made to the American people?

In this updated and revised book, Stephen Mansfield again dives into the controversial faith of President Obama. With two new chapters devoted to the first two years of this historical presidency, Mansfield continues his exploration into Obama's faith without religious or political bias.

"You must read this perceptive and well written book. Then you will know why Barack Obama has such a passion for justice and equity, such a gift for filling people of different generations with a newfound hope that things can and will change for the better." -- ARCHBISHOP DESMOND TUTU
