Amazon Echo: Easy-to-Use Guide for Amazon Echo, Dot, and Tap Ben Alexi

The promise of a computer you could talk to has been in the public consciousness for over fifty years, but only now is that promise being met.

Alexa is the world's most powerful digital assistant and unlike Siri, Cortana, and Google voice search, Alexa will have a meaningful impact on your life.

By providing access to all of the devices in your home, Alexa can improve your quality of life. From low-level features like asking for a timer or calling an Uber, to the latest in recommended items to buy from the grocery store and letting you know what's in your refrigerator, Alexa is an ever evolving assistant that finally brings to life the promise of a truly smart computer.

Alexa can help you with all aspects of your daily life, but do you know the best way to setup an Amazon Echo device in your home?

Do you know which Echo device is right for you? Are you unsure about voice commands, or just want to know the high-level features that exist within Alexa?

I will inform you of the best choice to get Alexa in your home, how to get the most out of her feature set, and how to move your life into the future using the digital assistant of today. Start reading and learn about of the incredible things Alexa can do and how she can entertain, inform, and improve your life.

In this book you will find:

1. A guide to picking the right Amazon Echo device for you and your home
2. Strategies to get the most out of Alexa, Amazon's digital assistant
3. How to control privacy settings on Alexa
4. The basic feature set of Alexa and examples of everyday use
5. The keywords necessary to activate the hidden features on Alexa
6. The advanced features of Alexa and how they can improve your life
