The Churches of Florence are one of the absolute highlights of the city. There is just so much to see inside and outside. Already when you arrive, you see the impressive dome of the Santa Maria del Fiore towering above the city. Other churches are more modest, but might contain some of the most important works of art of the renaissance, like the Brancacci Chapel in the Santa Maria del Carmine. Other churches, like the San Lorenzo show off the skill and artistic power of some of the greatest architects of the renaissance, like Brunelleschi and Michelangelo. In short, any visit to Florence should include a detailed visit to its churches. You need to see the Tornabuoni chapel to admire the beautiful fresco of Ghirlandaio. You have to visit the Medici chapels in the San Lorenzo to see one of the absolute sublime examples of renaissance sculpture and architecture by Michelangelo. And don't forget the amazing doors of the Florence Baptistery. In this book, I'll tell you what to look for in the churches of Florence. I'll explain in detail the scenes of the excellent frescos that you can find in many of the churches and I'll show you some of the amazing innovations architects like Brunelleschi invented when they were designing some of these churches. My name is Paul. I have had the good fortune of being a tour guide all over Italy and I love to show you the great places in this amazing country that is just filled with art and history.
