Conscious Union with God Joel S. Goldsmith

If you think that there is some new truth to be learned humanly, you will be disappointed because there is not a single new truth in the entire world. The truth revealed in this book is not my truth or my message, but the word of God which has been imparting itself to universal consciousness throughout all time. That word of God is already embodied in your consciousness, and this truth, which is already your consciousness, is now being unveiled to you within you. Unless God is my consciousness, there will be no truth expressing itself through, or as, me; and, moreover, unless God is your consciousness, you will not understand the truth that is being presented. But, since God is universal consciousness and since God is my consciousness, truth is expressing itself as this book.
