**The Autobiography of St. Ignatius (Classic Reprint)** Of Loyola Ignatius

The life of a saint in their own words.

This is a translated transcript of Saint Ignatius' own description of his life and spiritual battles. Ignatius was raised by the wife of a blacksmith, eventually becoming a knight. After being injured in battle he was inspired by stories of saints to dedicate himself to his religion and eventually became an influential religious figure.

He is famous for his Spiritual Exercises, which aim to bring the practitioner closer to the divine through four "weeks" of work, but perhaps more so for founding the Jesuit order. These are not the topics of the autobiography however, as ever humble Ignatius is more concerned with examining his own spiritual (rather than material) battles and conversion.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com)

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
