Tricks & Tips! (Finely Focused Photography Books) (Volume 9) Al Judge

This is the ninth book of the Finely Focused Photography Books Series by Al Judge. **Finely Focused Photography Books is a new series of books from Al Judge for people who prefer to study photography one topic at a time Each Book of the Series draws upon Al's longer and more comprehensive books for content. Like all of Al Judge's books these books contain numerous photos and illustrations to help facilitate clear and concise communication.** In *Tricks & Tips!* The author shares his experience with devices and techniques that have greatly enhanced his own photographic efforts. Photography doesn't have to be intimidating. The underlying principles are surprisingly simple but rarely presented in layman's terms. Like any other area of specialization, photography has its own language. Fortunately, you only need to understand a few terms and concepts to get started. **This Photographic Guide provides some valuable ideas that make photography easier while improving results. Although this book provides a fast-track approach to achieving photographic competence it does not rely on previous knowledge. This book will:**

- *Save you a great deal of time and effort.*
- Help you take better pictures and know why they are better.
