A Spiritual Warfare Ensemble: *firstly, this book was originally entitled as Weathering The Storm: then failed to rank well with that title. I couldn't find it either. That's why you're seeing the unverified reviews, as reviewer's kindly reposted to this new title, just without purchasing another book.*

A Spiritual Warfare Ensemble: Contending with- Demonic Oppression - is the accounting of my lifetime's demonic oppression. Spiritual warfare that ripped to a head with the death of my schizophrenic older brother Walter, and the transfer of his many demons to me, initially, without my knowledge. That underhanded invasion brought about a devastating attack of sudden-onset schizophrenia, his schizophrenia. *This brutal attack, this spiritual warfare was to be defeated in Christ, and that's the central core of the story.*

My tale of an ongoing sanctification process, a rich accounting a reporting on, and an unveiling of grace and spiritual authority discovered and put into action. *This book explains, details and documents how I won that victory, it's an illustrated action plan and my testimony in its essentials. It's my one stop rebuttal to the designs of the demonic.*

It's what I was searching for when I needed help and couldn't find it. It's my thumb in the eye, personal sanctification and spiritual warfare manual, aimed right back at all the enemies I so soundly defeated! Altogether, there are many ways to skin a cat, but this book in its real-life experiences, has to be one of the most comprehensive resources for self-deliverance and spiritual warfare available! Lord Bless!
