Night Ship: A Voyage of Discovery Mattie McClane

Night Ship: A Voyage of Discovery, explores the boundaries of space and time, of identity and self-realization, of gender and sexuality in an adventure tale. Six women, unknown to each other by day, join each other in a common dream aboard a fifteenth century sailing ship. A 1957 globe connects the real and the fantasy world. What would it be to have a 1957 globe in the world of pre-discovery? Kings and queens might vie for it, set their sails at war for it. Or it might be a fraud.
