The Virtues of Christmas Grace Burrowes

A duet of Regency holiday novellas set at the time of year when toes might be cold, but hearts are warm, and true love earns a helping hand from some well-placed mistletoe.

Respect for Christmas features **Henrietta Whitlow**, who's leaving behind the life of a very successful courtesan in hopes of making peace with her family in the shires. **Michael Brenner's** family all but ignore him, despite his shiny new baronial title, and his errand along the Oxford road isn't half so benign as **Henrietta's**. While trying to settle a debt of honor involving **Henrietta**, **Michael** instead loses his heart, gains a friend, and learns an important holiday lesson.

Patience for Christmas is the story of advice columnist **Patience Friendly**, whose relationship with her stubborn, over-bearing, publisher, **Dougal MacHugh**, is anything but cordial. **Dougal** challenges **Patience** to take on a rival columnist in a holiday advice-a-thon, and sparks fly clear up to the mistletoe hanging from every rafter. Will **Patience** follow the practical guidance of her head, or the passionate advice of her heart?
