Kids see themselves in *Little People Shape Books'* imaginative cover illustrations and can envision themselves as grown-ups. This addition to the series of children's favorites will inspire younger boys and girls with thoughts about what they might want to become when they are adults. The sturdy color illustrated paper-over-board books in this series are die-cut in the shape of the child who appears on the front cover, decked out in an appropriate costume. The stories are easy for early-graders to read, and are understandable to preschoolers when the books are read aloud to them.
