Families in the New Testament World: Households and House Churches (Family, Religion, and Culture) Carolyn A. Osiek, David L. Balch

What was the family like for the first Christians? Informed by archaeological work and illustrated by figures, this work is a remarkable window into the past, one that both informs and illuminates our current condition.

The Family, Culture, and Religion series offers informed and responsible analyses of the state of the American family from a religious perspective and provides practical assistance for the family's revitalization.
