Darius Logan is an orphaned teenager in serious trouble. Facing time in prison, he instead enters Second Chance, a rehabilitation program for ex-criminals operated by Super Justice Force, the world's greatest team of superheroes. Working side-by-side with reformed supercriminals—and the superheroes he idolized as a child—Darius creates a new life for himself. But when the forces of evil threaten to destroy everything around him, can a kid with no superpowers do anything to save the day? A refreshing new take on superhero mythology, *The Adventures of Darius Logan, Book One: Super Justice Force* is the two-fisted tale of an ordinary young man's coming-of-age in an extraordinary world of professional do-gooders and sinister villains. Originally published as *Darius Logan: Super Justice Force*, this is the first installment in *The Adventures of Darius Logan*. The next book, *No Man's Land*, will be out in 2014.
