Atlas of Medieval Jewish History

Haim Beinart

Atlas of Medieval Jewish History Haim Beinart

The *Atlas of Medieval Jewish History* is a comprehensive visual introduction to the history of the Jewish people in the Middle Ages. The atlas includes more than one hundred maps with accompanying text that give an in-depth review of Jewish history throughout the world from the 5th to the 17th centuries. It covers milestone events of Jewish history during this period: the dispersion of the Jews in the 4th and 5th centuries up to the Crusades, the Black Death, the expulsion from Spain; the persecutions of 1648 in eastern Europe, and the Sabbatean movement. The maps and text in the *Atlas of Medieval Jewish History* illustrate the sequence of persecution, expulsion, migration, and destruction on one hand, and a spiritual, religious, and cultural flowering on the other.
