Electing the President - The Electoral Process in Action Betty M. See

Electing the president and vice president is a basic right and responsibility of every citizen of voting age, yet the complexities of electing our leaders is not a concept that everyone understands. Use this book to prepare your students for the future process they will be a part of and mold them into educated voters.

Students will experience the exciting process of electing the President and Vice President of the United States in this hands-on simulation. As the two parties square off, students take on the roles of candidates, convention delegates, and members of the Electoral College. Complete teacher instructions and all necessary student handouts provide an easy-to-stage simulation that can be used with small or large groups. This learning-by-doing project will help students understand the Electoral College process and realize the importance of voting.
