Gifts of Darkover (Darkover anthology) (Volume 15) Deborah J. Ross

Marion Zimmer Bradley's Darkover remains one of the longest-running and best-loved series of all time, one that has touched the hearts and fired the imaginations of generations of readers. Now Darkover comes alive as never before in the hands of talented authors, many of whom found inspiration for their own careers in the world of the Bloody Sun. On a wondrous planet of telepaths and swordsmen, non-humans and ancient mysteries, a technologically advanced, star-faring civilization comes into inevitable conflict with one that has pursued psychic gifts and turned away from weapons of mass destruction. Darkover offers many gifts, asked for and unexpected. Those who come here, ignorant of what they will find, discover gifts outside themselves and within themselves. The door to Darkover's magic swings both ways, however, and many a visitor leaves the people he encounters equally transformed. This anthology includes stories by Robin Wayne Bailey, Jane M. H. Bigelow, Barb Caffrey, Margaret L. Carter, Rosemary Edghill & Rebecca Fox, Jeremy Erman, Leslie Fish, Shariann Lewitt, Deborah Millitello, Ty Nolan, Diana L. Paxson, and Marella Sands.
