Miscellaneous Writings 1883-1896 Mary Baker Eddy

Mary Baker Eddy felt this collection of writings was so important she requested, in 1897, that students of her works spend the next year thoroughly reading it. The diverse articles, addresses, letters, and poems on topics such as mental healing, forgiveness, angels, and marriage are based on the author's own experiences of putting her system of healing into practice. Considered by Eddy to be a book that would help readers better understand *Science and Health*, it contains dozens of letters from people healed just by reading that work.
