This comprehensive textbook/CD-ROM learning system is designed to revolutionize the way in which students learn and apply dental hygiene concepts. It teaches the fundamentals of clinical practice and focuses on actively engaging the reader in the learning process. By partnering interactive exercises and video segments on CD-ROM with textbook material and related cases, this outstanding tool reinforces dental hygiene concepts and procedures on a number of levels. In addition, all topics in the text are directly related to the American Dental Education Association's Competencies for Entry into the Profession of Dental Hygiene. HIPAA Guidelines, Special Needs Patients, and Brush-Applied Whitening Systems has been updated in this edition.
