Hip on Health CD: Health Information for Caregivers and Families Charlotte M. Hendricks

More than 140 childhood health and safety topics for families, educators, and caregivers

Health and safety is of utmost importance when it comes to the care of young children. This field-tested and medically reviewed collection of reproducible mini-posters and one-page information sheets covers children's growth and development, childhood illnesses and diseases, health care and illness prevention, infant care, nutrition, indoor and outdoor safety, and other well-being topics. These tools will increase family and caregiver knowledge and enhance communication with families.

You can use the material in a variety of ways:

Post on bulletin boards or display in common areas

Distribute to families as needed

Hand out at training events and family meetings

Display in staff lounge as reminders and refreshers

Incorporate in discussions about health with children

Include as inserts in newsletters
