My Mom Is an Alien Joanne Risso

My mom says she is an alien, but I am not so sure. She does sound funny when she speaks, and she eats weird food. Sometimes I think I see antennae sticking out the top of her head. She does not drive a spaceship, though, just a minivan. How can I really tell if she is an alien or not? You be the judge! My Mom Is an Alien humorously explores the concept of immigration to the USA from the perspective of an Australian woman. 32 pages 7 x 10 Color 16 illustrations by Dylan Matukaitis
