The United Nations and Human Rights: A Guide for a New Era (Global Institutions) Julie A Mertus, Julie Mertus

Julie Mertus' highly acclaimed text continues to be the only completely up-to-date comprehensive yet succinct guide to the United Nations human rights system.

Today, virtually all UN bodies and specialized agencies are undertaking efforts to incorporate the promotion or protection of human rights into their programs and activities. *The United Nations and Human Rights* examines these recent initiatives within the broader context of human rights practice, including the promotion of individual rights, management of international conflict and the advancement of agendas of social movements.

The fully revised and updated second edition not only provides a complete guide to the development, structure and procedures within the UN human rights system, but also reflects the vital changes that have occurred within the UN system, devoting considerable attention to expanding the range of issues discussed, including:

- new developments in the Office of the High Commissioner for Human Rights
- the current controversy surrounding the new Human Rights Council
- expanded treatment of economic and social rights.

A superb addition to any human rights syllabus, this book maintains its position as essential reading for students and practitioners of human rights, international relations and international law.

From reader reviews:

Eric Overbay:

Reading a reserve tends to be new life style with this era globalization. With examining you can get a lot of information that can give you benefit in your life. Using book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. A great deal of author can inspire their particular reader with their story as well as their experience. Not only the story that share in the guides. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors nowadays always try to improve their skill in writing, they also doing some exploration before they write on their book. One of them is this The United Nations and Human Rights: A Guide for a New Era (Global Institutions).

Elaine Davenport:

Playing with family in a very park, coming to see the coastal world or hanging out with close friends is thing that usually you could have done when you have spare time, after that why you don't try factor that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love The United Nations and Human Rights: A Guide for a New Era (Global Institutions), you are able to enjoy both. It is fine combination right, you still would like to miss it? What kind of hang-out type is it? Oh seriously its mind hangout fellas. What? Still don't buy it, oh come on its known as reading friends.

Wayne Queen:

Do you really one of the book lovers? If so, do you ever feeling doubt when you are in the book store? Attempt to pick one book that you never know the inside because don't judge book by its deal with may doesn't work is difficult job because you are frightened that the inside maybe not because fantastic as in the outside search likes. Maybe you answer can be The United Nations and Human Rights: A Guide for a New Era (Global Institutions) why because the amazing cover that make you consider with regards to the content will not disappoint an individual. The inside or content is fantastic as the outside or even cover. Your reading 6th sense will directly direct you to pick up this book.

Benjamin Herrera:

This The United Nations and Human Rights: A Guide for a New Era (Global Institutions) is completely new way for you who has intense curiosity to look for some information mainly because it relief your hunger info. Getting deeper you into it getting knowledge more you know or perhaps you who still having small amount of digest in reading this The United Nations and Human Rights: A Guide for a New Era (Global Institutions) can be the light food in your case because the information inside this book is easy to get by simply anyone.
