**The Unrequited: Poems** Carrie St. George Comer

"Comer's rhythms authenticate what she asserts. Page after page, the recognizably real and the imaginative flirt with and complement one another. . . ."—From the Foreword by Stephen Dunn

In *The Unrequited* Comer takes up and invigorates the line of American poetry called the "lyric surreal." The late poet James Wright was master of this mode, and Comer has a peculiarly American combination of humor and wild invention.

*Carrie St. George Comer* received her MFA from the University of Massachusetts, where she was awarded the Academy of American Poets prize and taught at Phillips Academy in Andover. She currently lives in Miami, Florida.
