Discover the secrets of animal totems and their sacred, transformative powers.

Among traditional Native Americans and other tribal peoples, totems are the enduring animal symbols that allow these peoples to explore the mysteries of life and the spirit world. From the graceful Antelope to the aggressive Cougar to the wise and peaceful Turtle, each animal embodies certain strengths and attributes that the spiritual seeker can embrace and follow on the path of self-exploration. Now, Totems offers each of us the tools we need to tap into the power of sacred animal totems by finding our own personal symbol and experiencing its energy firsthand.

Drawing upon his long association with native teachers, as well as guidance from his own spirit helper, author Brad Steiger has created a fascinating, informative, and thorough guide to this ancient Spiritual practice. Filled with the wisdom of many different tribes and cultures, Totems provides exercises and techniques for:

- choosing your own animal totem from the American Indian Zodiac

- learning the healing powers of totems
- calling on your spiritual helpers in times of need
