Calling the Swan Jean Thesman

For the past three years--ever since the unspeakable thing happened to their family--Skylar Deacon's parents have hated to let her out of their sight. Now she's going to summer school, and it's a struggle to get out of the house each morning. Skylar's grandmother and older sister, Alexandra, offer their support, but Skylar is the one who has to face the bus, the school, the kids she doesn't know...and the truth about what made the Deacon family outcasts in their own town.

Here, on the heels of *The Other Ones* ("Reminiscent of Patrice Kindl's *Owl in Love* for its strong casting and vivid storytelling."--*Booklist*) is another mystical, absorbing book from Jean Thesman.
