The Room by Room series presents thirty beautiful views of five rooms-the entrance, the living room, the dining room, the kitchen, and the bedroom. Each book focuses on a particular style and shows how this style functions throughout the house-room by room. A large variety of interiors, from simple to spectacular, will inspire any decorator and provide invaluable and beautiful solutions.

Contemporary Interiors presents designs of the 1990s, in a range of styles from twentieth-century classic to avant-garde. Page after page of beautiful interiors include informative tips on decorating in the contemporary style-a style that, more than any other, meshes with the field of architecture.
