CoParenting After Divorce: A GPS For Healthy Kids Debra K. Carter

Using a GPS analogy, *Co Parenting After Divorce* presents a road map for developing a customized parenting plan either with a parenting coordinator or on your own.

Learn what to expect from a parenting coordinator and from the court system, how to track factors important for your child's development, how and when to adjust the plan, and how to handle bumps in the road and avoid common mistakes.

Written by one of only a few experts on parenting coordination, Dr. Debra Carter provides solid information that every divorcing parent needs to know before, during and after the divorce.

Instead of letting conflict and divorce harm children, this book helps parents avoid actions and behaviors that influence kids in a lifelong negative way, and instead gives parents tools to prevent harm to their children even when parents are no longer together.
