## Metropolis 1890-1940

An ideal and welcome reference and reader for students of urbanism, *Metropolis 1890-1940* examines perceptions of the city during the dramatic urban growth of this period. *Metropolis* looks at the policies adopted to deal with the new city and at the views of the city expressed in the art, architecture, literature, cinema, music, and ideology of the time. Internationally known experts discuss case studies of London, Paris, Berlin, the Ruhr, New York, Moscow, and Tokyo, and a postscript brings the reader up to date with a survey of postwar urbanism.
