Monster Fish Frenzy (Wiley and Grampa's Creature Features, No. 3) Kirk Scroggs

In the third book in the series, hapless, goofy Grampa and his grandson Wiley are in for another zany adventure: They're out to capture Moby Fizz, the biggest, bloated, most deformed bass the world has ever known--dead, alive or deep-fried. Readers be warned: You're about to see prehistoric fish the size of a small town, you'll witness a terrifying pirhana attack, and you'll even see Grampa wearing nothing but a grass skirt. That's right, it ain't pretty. And it ain't easy plunging the depths of Lake Putrid to capture a whale--at least not without the help of Gramma and the reunited Gingham County Ladies water skiing team, and Paco, Grampa's prized pet goldfish.
