Ben Wisehart grew up in the idyllic town of Point Pleasant, West Virginia. An early encounter with the supernatural shaped his worldview and served as the catalyst for his career as a bestselling horror writer.

Ben left Point Pleasant at the age of twenty. Thirteen years after abandoning his home, he returns to the town to investigate the apparent reemergence of the terrifying creature responsible for his childhood nightmares.

In Point Pleasant, Ben is confronted not only by the town's resident monster, the Mothman, but also by his former best friend, Sheriff Nicholas Nolan.

Together, Ben and Nicholas uncover the mystery of the monster in the woods and discover that the ghosts that haunt us are sometimes made of flesh and blood.

And sometimes, they lead us home.

Point Pleasant is an illustrated novel and features over a dozen works of original art by Svetlana Fictionalfriend.
