When Richter was drawn into the greatest virtual reality MMORPG ever created, it seemed like a dream come true... until he found that nightmares walked The Land. He was confronted not only with a life and death struggle, but also with questions that would define his very soul.

What would YOU do if you were transported into your favorite video game?

What would YOU do if the gore, adventure and pain became real?

What would YOU do to win?

Richter confronted these questions while an enemy lay savaged and screaming at his feet. His lips pulled back in a blood-streaked smile. The answer was simple.

"Absolutely anything..."

Welcome my friends! Welcome... to THE LAND!
