The Theory of Opposites Allison Winn Scotch

What happens when you think you have it all, and then suddenly it's taken away?

Willa Chandler-Golden's father changed the world with his self-help bestseller, *Is It Really Your Choice? Why Your Entire Life May Be Out of Your Control*. Millions of devoted fans now find solace in his notion that everything happens for a reason. Though Willa isn't entirely convinced of her father's theories, she readily admits that the universe has delivered her a solid life: a reliable husband, a fast-paced career. Sure there are hiccups - negative pregnancy tests, embattled siblings - but this is what the universe has brought, and life, if she doesn't think about it too much, is wonderful.

Then her (evidently not-so-reliable) husband proposes this: a two-month break. Two months to see if they can't live their lives without each other. And before Willa can sort out destiny and fate and what it all means, she's axed from her job, her 12 year-old nephew Nicky moves in, her ex-boyfriend finds her on Facebook, and her best friend Vanessa lands a gig writing for *Dare You!*, the hottest new reality TV show. And then Vanessa lures Willa into dares of her own - dares that run counter to her father's theories of fate, dares that might change everything...but only if Willa is brave enough to stop listening to the universe and instead aim for the stars.

From reader reviews:

Caroline Petrie:

Reading a reserve can be one of a lot of activity that everyone in the world enjoys. Do you like reading book thus. There are a lot of reasons why people enjoy it. First reading a e-book will give you a lot of new information. When you read a book you will get new information due to the fact book is one of several ways to share the information or perhaps their idea. Second, studying a book will make anyone more imaginative. When you reading through a book especially fiction book the author will bring you to definitely imagine the story how the people do it anything. Third, you can share your knowledge to others. When you read this The Theory of Opposites, you are able to tells your family, friends and soon about yours guide. Your knowledge can inspire the mediocre, make them reading a book.

Laura Hargis:

Reading a publication tends to be new life style on this era globalization. With reading through you can get a lot of information that may give you benefit in your life. With book everyone in this world can certainly share their idea. Publications can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or maybe their experience. Not only the storyplot that share in the guides. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors nowadays always try to improve their skill in writing, they also doing some study before they write to their book. One of them is this The Theory of Opposites.

India Mead:

People live in this new time of lifestyle always attempt to and must have the extra time or they will get large amount of stress from both everyday life and work. So , when we ask do people have time, we will say absolutely indeed. People is human not really a robot. Then we request again, what kind of activity are there when the spare time coming to you of course your answer will certainly unlimited right. Then do you try this one, reading guides. It can be your alternative within spending your spare time, the particular book you have read will be The Theory of Opposites.

Anthony Moss:

Are you kind of busy person, only have 10 or maybe 15 minute in your day time to upgrading your mind ability or thinking skill actually analytical thinking? Then you have problem with the book when compared with can satisfy your short time to read it because all this time you only find book that need more time to be read. The Theory of Opposites can be your answer as it can be read by an individual who have those short time problems.
