## **To Protect the Innocent** Mark Locke Mills

Pedophilia has become America's dirty little secret. No one wants to talk about it and pedophiles are literally getting away with murder. The authorities can't catch them, the courts are too soft on them, and no one is doing anything about it. No one, that is, except Dan Forester. After his son is molested and murdered, Dan wages a one-man war on pedophilia, all the while playing cat and mouse with the FBI and his own conscience. It is an exhilarating story of one man's tragedy and triumph with more twists and turns than an L.A. freeway.
