James Joyce

Ulysses: A Facsimile of the First Edition Published in Paris in 1922 James Joyce

Ulysses has been the subject of controversy since copies of the first English edition were burned by the New York Post Office Authorities. Today critical interest centers on the authority of the text. This edition republishes, for the first time, without interference, the original 1922 text. Jeri Johnson's critical Introduction demystifies the complexities of the book, and a full textual publication history, helpful appendices, and explanatory notes guide the reader through this highly allusive text.
