Women In Transition, A Devotional Tammie Meichell Polk

This is a book of devotions for women that may have been battered, abused, misused, mistreated, underappreciated, unappreciated, cheated on, and wrongly accused. I hope that by the end of these daily devotions you know that you are loved, appreciated, above not beneath, beautiful, powerful, smart, and worth the wait. Find a quiet place to read your devotionals for the next 49 days and always pray and seek God's face for understanding of where He wants you to be at this point of your life. Remember the life that you save could be your own, but in the process help another Woman of God. We are all here for one another. I love each and every last one of you and thank you for supporting me and my ministry. This is the first of many to come and I look forward to meeting you someday at a book signing.
