Color a World of Cat-Filled Fine Art

Have you ever wondered what the world's finest art would look like if the likes of Renoir, da Vinci, and Monet loved cats as much of the rest of us? Well, wonder no more, because in this feline-themed coloring book you'll discover 26 pieces of fine art that have been re-imagined so that they all feature cats. You'll find Wood's American Gothic, Munch's The Scream, Botticelli's The Birth of Venus, and many, many more catified recreations that are based on artwork from a wide variety of renowned artists. Each illustration is printed twice; once as a full-page version and then again as a 4"x6". That way, you'll get double the coloring fun. In addition, the back of each coloring page is blank except for the artist's name and the title of the painting.
