Earthquake Survival: Prepare For & Survive an Earthquake (Urban Survival Series) James Kavanagh, Waterford Press

Earthquakes strike with devastating force and often without warning. Approximately 41 US states are at risk of moderate to severe earthquakes, and amazingly, these states are located in every region of the country. Based on international protocols, Earthquake Survival focuses on what people can do before, during and after an earthquake to protect themselves and their property. Also included in each guide are smartphone QR codes that link to the websites of various emergency services agencies. Laminated for durability, this portable guide is an ideal source of quick and accurate information. Made in the USA.
