Everybody In, Nobody Out: Memoirs of a Rebel Without a Pause Quentin Young

This book may look like it's about health care. But it's so much more than that and Quentin Young is so much more than a doctor who cares. Social justice is about education, housing, and the solidarity with workers, with organizers, with activists, needed to get things done. You will read about how Quentin mobilized people in the professional world to go south, you'll appreciate what it's like for people to work together for social justice, and you'll come away realizing how critical it is to be generous of time and spirit.
