Takane Enomoto has a secret.

Her life is pretty weird. She attends high school with only one other student in her class and has a teacher who takes "underachievement" to exciting new heights--and neither of them know the truth about her double life as a legendary gamer. Somehow, these three misfits are going to have to put on a show for the school festival. But how does that connect to Takane's secret? And more importantly, how does that secret connect to the Mekakushi-dan? And come to think of it, how did Shintaro and the rest of the Mekakushi-dan's trip to the amusement park finally play out? Find out as multimedia creator Jin's blockbuster novel series hurtles into its second volume!
