Oh Skin-Nay!: The Days of Real Sport Wilbur D. Nesbit

Poetry Verses by Wilbur D. Nesbit

Afterword by Comics Historian Jeet Heer

A grittier and less sentimental predecessor to Norman Rockwell, Clare Briggs exemplified the larger journey of American society from small-town innocence to urbane sophistication. The son of a farm machinery salesman, Briggs left his rural home as a young man to forge a career as an illustrator and cartoonist, earning success in such big-city papers as *The Chicago Examiner*, the *Chicago Tribune*, and the *New York Tribune*. Within a few years, he became one of the most popular and imitated cartoonists in America: Frank King, Milton Caniff, and the first generation of *New Yorker* cartoonists all emulated Briggs. Eschewing the roughneck humor of early comic strips, Briggs drew low-key strips in two modes: nostalgic reveries focused on memories of small-town boyhood and satirical strips about the squabbles inherent in married life.

First published in 1913 by P. F. Volland and Company of Chicago, *Oh Skin-Nay!* is a collaboration between Briggs and poet Wilbur D. Nesbit and portrays a year in the life of small-town America through the eyes of the twelve-year-old boy?wood gathering, sleigh rides, games of post office, swimming holes, and sandlot ball games.

This book is presented as a facsimile edition of double-page spreads containing short poems and full-page cartoons as well as an expanded afterword on Briggs by comics historian Jeet Heer.
